

We are currently accepting orders for oak and cherry logs for log-based mushroom cultivation, as well as pre-innoculated logs that will be available in the spring of 2024. Our logs are hand cut from a 600 acre family forest located in Waterloo, Wisconsin. We cut only from October 1 to March 1 to protect the health of our forest

Bare Oak Logs

Bolts

1-50	\$4.00 per log
51-100	\$3.00 per log
101-200	\$2.50 per log
201+	\$2.00 per log

Totems

\$10 per log [limited availability]

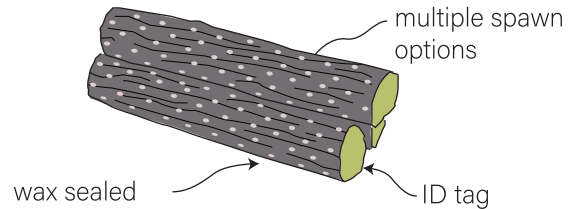

Bare Oak logs must be picked up at our Waterloo, WI farm. Orders will be stacked and stored in a dry location and can be picked up at your convenience once they are ready.

To place an order please email:

shortcutmushrooms@gmail.com

Bare oak log order less than \$200 may remit payment at time of pickup. Inoculated log and orders over \$200 must submit payment in advance via check or with Venmo @shortcutmushrooms

Inoculated Oak Logs

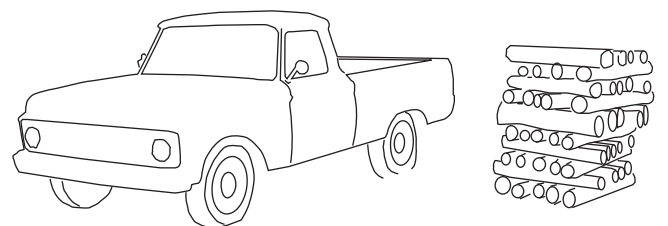

Inoculated

1-5	\$25 per log
6-40	\$20 per log
